

# Geocaching

**What is geocaching?**

**What does GPS stand for?**

**Fill in the secret numbers to find the final cache!**

12 S 0 3 \_ \_ \_ \_ \_ UTM 3 8 \_ \_ \_ \_ \_  
                  A B C D E  F G H I J

**What are three ways you could find your way around without GPS technology?**

**1.**

**2.**

**3.**

## **Things to Remember:**

- Stay with your group and be inclusive
- ALWAYS wear the GPS unit around your neck while using it
- Look up, down, under, in and remember that no caches are in buildings
- If the “compass needle” jumps around, walk 3 big steps in one direction
- LEAVE THE CACHES EXACTLY HOW YOU FIND THEM
- Have fun!
