

# Aspen Creek Outdoor School Fall 2017 Season

Best Job Ever!

**Come join us for a wonderful and rewarding season of the Aspen Creek Outdoor School (ACOS).**

ACOS is a residential outdoor education center that works with middle-school students from around the state. We need **YOU** to join our staff and teach students about nature, community, and responsibility. Come join us for our Fall 2017 season, September 11<sup>th</sup>-December 15<sup>th</sup>.

## **The Benefits:**

1. **Getting paid to teach outdoors:** Our leaders are the best! We look for and hire dedicated, hard working, passionate educators. You will be well paid for your talents and skills.
2. **Training, Training, Training:** We believe every minute spent with you, our staff, enables our program to excel. We start the season with a comprehensive training and continue to improve all season.
3. **A complete program:** The lessons are designed, the hooks are sharp, and the props are ready. Our curriculum is finely tuned so you can focus on teaching and engaging the students.

## **The Requirements:**

1. Experience working with youth and a positive attitude towards growth in this area
2. Ability and desire to teach an outdoor science school curriculum in all conditions
3. Ability to pass a background check

(This is a part-time seasonal position, starting at \$12/hour, we are looking for individuals that can commit to **ALL** the 2017 Fall dates)
