\*We work hard to stick to the times on this schedule; however “Camp Time” is a real thing. We appreciate your flexibility in advance.

\*Being on time to meals is important to our kitchen staff, if your school needs to make announcements or meet-up before meals, please do so at horseshoe and meet BEFORE the scheduled mealtime. Please let us know if you would like us to ring the bell early for this purpose. If your schools do not need to meet to make announcements or dismiss a particular way for meals, please walk in and seat yourself whenever you hear the kitchen mealtime bell ring

\*For specific activity schedule for your group, please refer to the Activity Schedule

\*Rise and Shine! And Lights Out time are up to the visiting teachers and chaperones. The times in this schedule (7am and 10pm) are simply the times we have “Quiet Hour” agreements with our neighbors.
